UPDATE ON PAIN

15:00 - 15:30

Opening

Moderator: **JESUS TORNERO**

From the "stakeholder" to the field, a virtuous example from an Italian Region
RAFFAELLA FERRARIS

15:30 - 17:15

Severe chronic pain update

Moderator: **JESUS TORNERO, ARTURO CUOMO**

15:30 - 15:50

Physiopathology and therapy of severe chronic pain

FLAMINIA COLUZZI

15:50 - 16:10

Tapentadol: an innovative analgesic in the treatment of severe chronic pain

MARIA LUISA FRANCO

16:10 - 16:25

Tapentadol, the clinical experience

LUIS CABEZÓN

16:25 - 16:40

Tapentadol, the clinical experience

MASSIMO ALLEGRI

16:40 - 17:15

Discussion

17:15 - 17:45

Coffee break

17:45 - 19:30

LPN (Localized Neuropathic Pain): Myth or Reality?

Moderator: **ESTHER LÓPEZ, ROBERTO CASALE**

17:45 - 18:05

Localized Neuropathic Pain: Some information on neurophysiology and

diagnostic tools **JUAN CARLOS GARCIA DE LA BLANCA**

18:05 - 18:25

5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain

STEFANO JANN

18:25 - 18:40

5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain,

the clinical experience **MERCE' MATUTE**

18:40 - 18:55

5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain,

the clinical experience **RENATO VELLUCCI**

18:55 - 19:10

5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain,

the clinical experience **ENRICO POLATI**

19:10 - 19:30

Discussion

Minorca Convention Center • PAIN MEETING FORUM

09:00 - 12:00

Morning session

Moderator: **JORDI MOYA RIERA**

09:00 - 10:00

Round Table: All together against chronic pain

ANTHONY DICKENSON, KIM KRISTIANSEN

10:00 - 10:20

HARALD BREIVIK

10:20 - 10:50

United Nations resolutions access at the pain therapy: worldwide perspectives

GILBERTO GERRA

10:50 - 12:20

More than MOR. Multiple target horizon

RALF BARON, ANTHONY DICKENSON

12:20 - 14:20

Updates on interventional pain management

Moderator: **JOSE' DE ANDRES**

12:20 - 12:45

Radiofrequency: the state of the arts and special application

PASQUALE DE NEGRI

12:45 - 13:10

The future in neuroestimulation

DAVID ABEJON

13:10 - 13:35

Approaching to a new target: The dorsal ganglion stimulation

JOSE' DE ANDRES

13:35 - 14:00

Discussion

14:00 - 15:00

Lunch

15:00 - 16:00

Tailored Genetics Medicine

Tailored genetics medicine

MASSIMO ALLEGRI, DRAGAN PRIMORAC

Minorca Convention Center • PAIN MEETING FORUM

16:00 - 17:00

Fentanyl Buccal Tablet: adjusted technology for Breakthrough cancer pain

Moderator: **LUIS OLAY, MANUEL RODRIGUEZ**

16:00 - 16:30

Clinical implication of Fentanyl Buccal Tablet **FRANCISCO COLLADO COLLADO**

16:30 - 17:00

Fentanyl Buccal Tablet: Benefits for the patient **NURIA CALVO**

17:00 - 18:00

Sublingual Fentanyl. New evidences

President: Dr.a **CONCEPCIÓN PÉREZ** *Pain Unit. Hospital La Princesa. Madrid*

Secretary: Dr. **ROBERTO DÍAZ BEVERIDGE** *Deputy Medical Oncology Hospital La Fe. Valencia*

Overview of breakthrough pain, therapeutic alternatives

Dr. **ROBERTO DÍAZ BEVERIDGE** *Deputy Medical Oncology Hospital La Fe. Valencia*

New evidences in the treatment of breakthrough pain. A multicenter study

Dr. **JORDI GUITART VELA** *Pain Unit. Hospital Plató. Barcelona*

The issue of titration in breakthrough pain patients

Dr. **SEBASTIANO MERCADANTE** *Anesthesia and Intensive Care Unit & Pain Relief and Palliative Care Unit. La Maddalena Cancer Center. Palermo. Italy*

18:00 - 19:00

Capsaicin 8% Patch Management

Moderator: **DOLORS SINTES**

18:00 - 18:30

Update on the latest posts **ANGELES CANOS VERDECHO**

18:30 - 19:00

Application without topical anesthesia. Evidence and experience **MERTXE MOZAS**

Minorca Convention Center • PAIN MEETING FORUM

19:00 - 20:15

Assessment and management of chronic pain from a biopsychosocial perspective

President: Prof. Dr. **LUÍS ALIAGA FONT** *Clinica Teknon, Pain Unit head. Barcelona*
Secretary: Prof. Dr. **CARLOS GOICOECHEA GARCÍA** *Professor of Pharmacology.*
Coordinator "Master in the Study and Treatment of Pain". *Rey Juan Carlos University. Madrid. Spain*

Transcultural field studies about painful religious rituals in Greece and Sri Lanka:
Consequences for interdisciplinary research on pain management
Prof. Dr. **WOLFGANG LARBIG** *University of Tübingen, Germany*

Painometer: an app for the assessment of chronic pain patients
Prof. Dr. **Jordi Miró**, *Rocío de la Vega Roman Roset. Unitat per a l'Estudi i Tractament del Dolor - ALGOS, Universitat Rovira i Virgili*

Self-modulation of brain activity may help to alleviate pain
Prof. Dr. **Pedro Montoya** *University of Balearic Islands, Palma, Spain*

Presentation of a book "Survive the Pain - Sobrevivir al dolor" (Plataforma Editorial)
Signed by the author and dedications.
Author: **Grela Bravo Garcia** *Clinical psychologist, social and intercultural mediator*
Endorsed: Sine Dolore Association and Grünenthal Foundation

Epidemiological Survey on the relief of chronic pain and the influence of wine,
meaning through the molecule resveratrol
Dr. **Carmen Martínez Caballero** *Director of scientists projects EMNIPRE*
(European Multidisciplinary Network in Pain Research and Education)

Minorca Convention Center
Parallel Conference
PEDIATRIC FORUM

09:00 - 11:30

On pain in pediatrics: nutrition, dermatology, asthma

Guidelines for the use of dietary hydrolysed milk: the new formulas to solve isintomi and signs of pain **GIUSEPPE MELE**

The pain and nutrition in the early years of life **ALFONSO DELGADO RUBIO**

11:30 - 12:30

Pain

Dealing with Pain in Italy – law 38/2010: state of the art
MARCO SPIZZICHINO

The Child in Pain **FRANCA BENINI**

Pain in the pediatrician's practice **MARIA GIULIANO**

Going local – The Treatment of Pain in Pediatric Departments: a map of the European hospitals where pediatric pain treatment is a priority
MARTA GENTILI

The Treatment of Pain in Pediatric Departments: the Italian experience as a model for Europe

15:30 - 18:30

Asthma and Pain

Integrated Management in Allergies Respiratory: Cough and the world around her **RENATO CUTRERA**

Asthma in children **LUIGI MORCALDI**

Minorca Convention Center
Parallel Conference
BREAKTHROUGH PAIN

12:30 - 13:30

New topics in breakthrough Pain

President: Dr. **FRANCISCO COLLADO** *Pain Unit. Hospital Puerta del Mar Cadiz*

Secretary: Dr. **HERMAN RIBERA** *Section Chief. Pain Unit. Espases University Hospital. Mallorca*

Breakthrough Cancer Pain: An observational study of 1000 European Oncology Patients

Dr. **JOSEP PORTA** *Catalan Institute of Oncology. ICO Barcelona*

Inter - and intra - patient variability in breakthrough pain crisis of opioid-treated patients with underlying chronic pain. An observational, prospective and multi center study".

Dr. **JUAN PEREZ CAJARAVILLE** *Chief of the Pain Unit at the University Hospital of Navarra. Pamplona*

Minorca Convention Center
Parallel Conference
ACUPUNCTURE WORKSHOP

Pre-Registration Required. Limited Places. (It will be in Spanish language)

15:30 - 18:30

Treatment of spinal pain with acupuncture and related techniques

Teacher: Prof. Dr. **RAFAEL COBOS ROMANA**

Director of the Master of Acupuncture, Pablo de Olavide, University in Seville. Pain Unit, Hospital Virgen del Rocío. Sevilla

Prof. Dr. **ALFONSO VIDAL**

Master of Acupuncture . Pain Unit, South Hospital Alcorcón. Capio Group. Madrid

Prof. Dr. **MARIAN LORENTE**

Director of the Laboratory of Surgical and Functional Anatomy, Faculty of Medicine and Health Sciences, International University of Catalunya. Teknon. Barcelona Pain Unit.

In collaboration with the Spanish Society of Medical Acupuncture and the Master of Acupuncture

Content:

Treatment of neck pain (treatment protocol, point locations, application techniques), dorsal back pain (treatment protocol, point locations, application techniques) and low back pain (treatment protocol, point locations, techniques application).

Method:

Discussion of a model case for each pathology , analysis of the different points to be used, method of application. Using anatomical models and practices puncture on them. Review of available evidence.

Minorca Convention Center • PAIN MEETING FORUM

09:00 - 10:30

Morning session

Moderator: **EGIDIO MOJA**

TRINOMIAL: Overcome the old patient concept

HARALD BREVIK, KIM KRISTIANSEN, GERHARD MUELLER-SCHWEFE

10:30 - 12:00

Case history

Clinical in chronic pain management - the real life. The best, and the worst"
Interactive session

FLAMINIA COLUZZI, JUAN PEREZ CAJARAVILLE

12:00 - 13:00

LNP - Localized Neuropathic Pain

Moderator: **ROBERTO CASALE**

Localized Neuropathic Pain: What, Who, When, Why?

DOLORES LOPEZ ALARCON, VALERIA TUGNOLI

13:00 - 14:00

Ultrasound workshop

What we can do with ultrasound in pain

MARCO BACIARELLO, MANUEL SANCHEZ DEL AGUILA

14:00 - 15:00

Lunch

Minorca Convention Center • PAIN MEETING FORUM

15:00 - 16:00

Spanish Lectures: New topics on transdermal buprenorphine

President: Dr. **ANTONIO MONTERO** *Head service Anesthesia, Resuscitation and Pain Therapy of the University Hospital Arnau de Vilanova, Lleida. Professor University of Lleida*
Secretary: Dr. **MANUEL SANCHEZ DEL ÁGUILA** *Head service Anesthesia and Resuscitation, Hospital Costa del Sol, Marbella*

Practical application of transdermal buprenorphine in the field of rheumatologic emergencies

Dr. **CARLOS GUILLEN ASTETE** *Responsible Unit Rheumatology and Musculoskeletal Pathology of the Emergency Department of the Hospital Universitario Ramón y Cajal. Madrid*

Buprenorphine Update: legends and new realities

Dr. **ALFREDO PERUCHO GONZÁLEZ** *Unit of Pain, Ramón y Cajal Hospital. Madrid*

16:00 - 17:00

Talk to the engineer

President: **DAVID ABEJON** *Head Pain Unit, Quiron Hospital of Madrid*
Secretary: Dr. **FRANCISCO GÓMEZ ARMENTA** *Head Pain Unit, Hospital Reina Sofía, Córdoba*

Burst vs High Frequency" What are the differences and what are the advantages and disadvantages of each?

Mr. **MANUEL MENDOZA** *Engineering In Electronics - Pontificia Universidad Javeriana - 2003 Colombia. Postgraduate Master in Telecommunications Networks - Cisco CCNA - Pontificia Universidad Javeriana - Colombia. Specialist in Engineering Management Systems - Pontificia Universidad Javeriana - Colombia. MBA - Master of Business Administration - European Business School Madrid. 21 Training Healthcare Technologies - Siemens - Germany, USA and Brazil. 1994-2013 Moving Technology to Clinical Benefits: Multiple Independent Current Control Systems*

Mr. **Francisco Estella** *Senior Engineer in Telecommunications Engineering from the University of Granada. Master 's degree in Computer Engineering and Networks, specializing in Bioengineering from the University of Miami*

Programming Principles in spinal cord stimulation

Mr. **PABLO RUEDA** *Telecommunication Engineer Master in Bioengineering and Telemedicine*

Minorca Convention Center • PAIN MEETING FORUM

17:00 - 18:00

Pain Unit: Optimizing Quality of Life Resource

President: Dr. **RAFAEL SALAZAR VECINO** *Hospital de Inca. Mallorca*

Secretary: Dr. **FRANCISCO GÓMEZ ARMENTA** *Hospital Reina Sofía. Córdoba*

Optimizing the management in the Pain Unit".

Dr. **MODESTO GARCÍA ESCOBAR** *Hospital de San Juan. Alicante*

Pharmacoeconomic study in using fentanyl. Can improve the clinical management of breakthrough cancer pain?".

Dr. **RAFAEL DE ALBA MORENO** *Hospital Ciudad de Jaén. Jaén*

Implications of Pain Unit. Question and Answer

Dr. **RAFAEL SALAZAR VECINO** *Hospital de Inca. Mallorca*

18:00 - 19:00

Pharmaceutical , necessary link in the treatment of patients with pain

Chairman: Dr. **JAVIER GARCIA VEIGA** *Community Pharmacist. Minorca Vice President and member*

The Organization Pharmaceutical College, as support for the pharmaceutical care to the patient with pain

Dr. **IÑAKI LINAZA PEÑA** *Community Pharmacist. Accountant General Council of Official Colleges of Pharmacists*

Professional Pharmacy in the multidisciplinary treatment of patients with pain: personal challenge or career advancement?

Dr.a **Ana Minguez Martí** *Pharmaceutical Hospital. Deputy Multidisciplinary Unit Study and Treatment of Pain. Consorcio Hospital General Universitario de Valencia. Director FUNDOLOR (Valencian Foundation for the Study and Treatment of Pain)*

Community Pharmacists, adjunct in the treatment of pain

Dr. **PEDRO DOBLAS CEBRECO** *Community Pharmacist. Master teacher UB Pharmaceutical Care (theme "The pain in the community pharmacy")*

FACULTY

David Abejón González

Head Pain Unit. Quiron Hospital of Madrid, Spain

Luís Aliaga Font

Head Pain Unit, Clínica Teknon, Barcelona, Spain

Massimo Allegri

Assistant Professor - Department of Surgical, Medical, Diagnostic and Pediatric Science - University of Pavia. Pain Therapy Service Fondazione IRCCS Policlinico San Matteo, Pavia, Italy

Fabio Arcangeli

Past President Siderp and Adoi - Director of Dermatology, Ospedale Bufalini, Cesena

Marco Baciarello

Assistant Professor, University of Parma, Italy

Ralf Baron

Head of the Division of Neurological Pain Research and Therapy and Vice Chair of the Department of Neurology, Christian-Albrechts-Universität Kiel, Germany

Franca Benini

Pediatric Pain and Palliative Care – PICU Department of Pediatrics – University of Padova, Italy

Marco Berti, MD

Hospital of Parma, Italy

Grela Bravo Garcia

Clinical psychologist, social and intercultural mediator

Harald Breivik

Professor of Anaesthesiology University of Oslo, Faculty of Medicine, University of Oslo, Norway

Nuria Calvo

Medical Oncology. Hospital de Sant Pau (Oncology Day hospital). Barcelona.

Angeles Canos Verdecho

Anesthesiologist. Head of Reference Unit Pain Treatment. University and Polytechnic Hospital La Fe. Valencia, Spain

Roberto Casale

Pain Rehabilitation Unit, Institute Montescano, Fondaz. "S. Maugeri" - IRCCS (Istituto di Ricerca Scientifica), Pavia, Italy

Andrea Castelnovo

Penal and Civil Lawyer, Torino, Italy

Rafael Cobos Romana

Director of the Master of Acupuncture, Pablo de Olavide, University in Seville. Pain Unit, Hospital Virgen del Rocío. Sevilla, Spain"

Flaminia Coluzzi

Research Assistant Professor in Anesthesiology – Dept. Anesthesia, Intensive Care Medicine and Pain Therapy – SAPIENZA University of Rome, Italy

Francisco Collado

Pain unit. Hospital Puerta del Mar Cadiz, Spain

FACULTY

Amedeo Costantini

Pain Unit Dep. of Anaesthesia. SS. Annunziata University Hospital, Chieti, Italy

Arturo Cuomo

Chairman of Pain Unit, National Cancer Institute, Naples, Italy

Renato Cutrera

Department of Pediatric Medicine, Italy Ospedale Pediatrico Bambino Gesù Rome, Italy

Rafael De Alba Moreno

Hospital Ciudad de Jaén. Jaén, Spain

Jose De Andres

Professor of Anaesthesiology of the Valencia University School of Medicine. Chairman of Anaesthesia, Critical Care and the Multidisciplinary Pain Management Departments in the Valencia University General Hospital, Valencia, Spain

Alfonso Delgado Rubio Professor of pediatrics and puericulture, Facultad de Medicina CEU-San Pablo, Madrid. Director of the Department of Pediatrics, Grupo HM Hospitales, Madrid, Spain

Pasquale De Negri

Chairman Department of Anesthesia, Resuscitation and Pain Therapy, IRCCS Oncology Centre – Rionero in Vulture (PZ), Italy

Anthony Dickenson

Professor of Neuropharmacology, Medical Sciences Building, UCL, London, UK

Roberto Díaz Beveridge

Deputy Medical Oncology Hospital La Fe. Valencia, Spain

Pedro Doblas Cebrecos

Community Pharmacist. Master teacher UB Pharmaceutical Care

Francisco Estella

Senior Engineer in Telecommunications Engineering from the University of Granada, Spain

Raffaella Ferraris**Jordi Folch**

Pain Unit. Plató Hospital. Barcelona, Spain

Maria Luisa Franco

Pain Unit, Hospital de Cruces, Baracaldo (Vizcaya), Spain

Josè Fuentes Bellido

Head of Pain Unit. Pius Hospital. Valls. Barcelona, Spain

Flavio Fusco, MD

Palliative Care Unit, ASL3, Genova, Italy

Juan Carlos Garcia de la Blanca**Modesto García Escobar**

Hospital de San Juan. Alicante, Spain

Javier García Veiga

Community Pharmacist. Minorca Vice President and member of the Official College of Pharmacists of the Balearic Islands and Professor at the University of the Balearic Islands

FACULTY

Giuseppe Gennari

Professor of Civil Law University Bocconi, Milan, Italy

Marta Gentili

President of "Vivere senza dolore" Association "life without pain association"

Gilberto Gerra

Chief of Drug Prevention and Health Branch, Division for Operations, United Nations Office on Drugs and Crime, Vienna

Maria Giuliano

Pediatrician - Member of the "Regional Coordination of palliative care and pain therapy" Paidòss Italy

Carlos Goicoechea García

Professor of Pharmacology. Coordinator Master in the Study and Treatment of Pain. Rey Juan Carlos University, Madrid, Spain

Francisco Gómez Armenta

Head Pain Unit. Hospital Reina Sofia. Córdoba, Spain

Carlos Guillen Astete

Responsible Unit Rheumatology and Musculoskeletal Pathology of the Emergency Department of the Hospital Universitario Ramón y Cajal. Madrid, Spain

Jordi Guitart Vela

Pain Unit. Hospital Plató. Barcelona, Spain

Stefano Jann

Department of Neurology Hospital Maggiore Niguarda Cà Granda, Milan, Italy"

Kim Kristiansen

Author of The Empowered Pain Patient. Inventor of DoloTest online QoL and Pain Assessment.

Wolfgang Larbig

University of Tübingen, Germany

Iñaki Linaza Peña

Community Pharmacist. Accountant General Council of Official Colleges of Pharmacists

Esther Lòpez**Dolores Lopez Alarcon****Marian Lorente**

Director of the Laboratory of Surgical and Functional Anatomy, Faculty of Medicine and Health Sciences, International University of Catalunya. Teknon. Barcelona Pain Unit, Spain

Carmen Martinez Caballero

Director of scientists projects EMNIPRE (European Multidisciplinary Network in Pain Research and Education)

Mercè Matute**Giuseppe Mele**

Past National President of FIMP, the Italian Federation of Pediatricians and Scientific Coordinator

Manuel Mendoza

Specialist in Engineering Management Systems

FACULTY

Sebastiano Mercadante

Anesthesia and Intensive Care Unit & Pain Relief and Palliative Care Unit, La Maddalena Cancer Center, Palermo, Italy.

Ana Minguez Marti

Pharmaceutical Hospital. Deputy Multidisciplinary Unit Study and Treatment of Pain. Consorcio Hospital General Universitario de Valencia. Director FUNDOLOR (Valencian Foundation for the Study and Treatment of Pain)

Jordi Miró

Pain Management, Universitat Rovira i Virgili, Tarragona, Spain

Egidio Moja

Professor of Psychology, University of Milan, Italy

Antonio Montero

Head service Anesthesia, Resuscitation and Pain Therapy of the University Hospital Arnau de Vilanova. Lleida. Professor University of Lleida, Spain

Pedro Montoya

University of Balearic Islands, Palma, Spain

Luigi Morcaldi

Paidòss responsible for Respiratory Area, Italy

Mertxe Mozas

Pain Unit, Clínica Zorrotzurre, Bilbao, Spain

Jordi Moya Riera

Head of Anesthesiology, Resuscitation and Pain Therapy at the Menorca Clinic and Virgen de Gracia Polyclinic, Minorca, Spain

Gerhard Mueller-Schwefe

Head of Pain Relief Unit at the Interdisciplinary Pain Clinic Goeppingen, Germany

Luis Olay

Head of Radiation Oncology Service. Central Hospital of Asturias, Spain

Concepción Pérez

Pain Unit. Hospital La Princesa, Madrid

Juan Perez Cajaraville

Chief of the Pain Unit, University Hospital of Navarra. Pamplona, Spain

Alfredo Perucho González

Unit of Pain. Ramón y Cajal Hospital. Madrid, Spain

Enrico Polati

Professor of Anesthesiology, University of Verona, Italy

Josep Porta

Catalan Institute of Oncology. ICO Barcelona

Dragan Primorac

Professor of Pediatric Medicine, University of Osijek and University of Split, Croatia

FACULTY

Herman Ribera

Section Chief. Pain Unit. Espases University Hospital. Mallorca

Manuel Rodriguez

Head of the Pain, Carlos Haya Hospital, Málaga, Spain

Pablo Rueda

Telecommunication Engineer Master in Bioengineering and Telemedicine

Giuseppe Ruggiero

Scientific Coordinator Paidòss National Secretary Siderp (Italian Society of Pediatric Dermatology)

Rafael Salazar Vecino

Hospital de Inca. Mallorca, Spain

Manuel Sanchez del Aguila

Head service Anesthesia and Resuscitation. Hospital Costa del Sol. Marbella, Spain

Dolors Sintès

Pain Unit. Hospital of Badalona, Barcelona, Spain

Marco Spizzichino

Ministry of Italian Health, Directorate General of Health Planning and Development "Palliative care and pain therapy", Italy

Jesus Tornero

Professor of Medicine, University of Alcalá, Madrid, Spain

Valeria Tugnoli

Neurophysiological Unit, Neuroscience/Rehabilitation Dpt, Ferrara, Italy

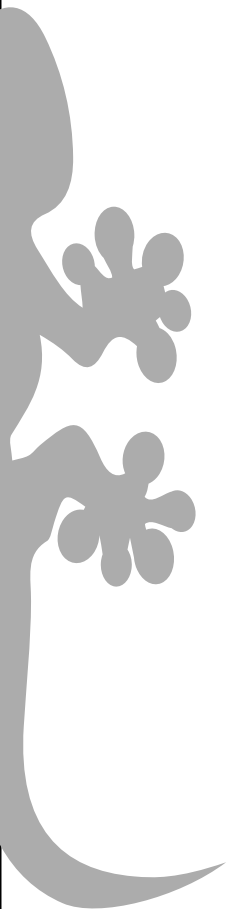

Renato Vellucci

Palliative Care and Pain Therapy Unit, University Hospital of Careggi, Firenze, Italy

Alfonso Vidal

Master of Acupuncture. Pain Unit, South Hospital Alcorcón. Capio Group, Madrid, Spain
