Minorca May 7-11, 2014

Scientific Program

1. Pai Meeting Forum
IV Multidisciplinary Pain Meeting

2. Sant Antoni - The Golden Farm

3. Theatre "Teatre Principal" Maó
Award in pain research

4. Hotel Carlos III *****

5. Hotel Barcelò Hamilton *****

6. Mundi Village
Bring More to life Support your patients

7. Pediatric Forum

On pain in pediatrics Pain and nutrition

8. UP Agorà

Up date on Pain

9. Hotel St Luis *****

10. Hotel Punta Prima *****

11. Hotel S'Algar *****

12. Get together
Everyone is most welcome to be part of our club
News soon

13. HG Jardín de Menorca ****

14. Valentín Son Bou

15. Menorca Airport

Menorca Airport or Mahón airport is the airport
of the Balearic Island of Menorca or Minorca.

The airport is located 4.5km southwest of the
island's capital, Mahón. It lies within the city
limits of Mahón and Sant Lluís. It is the unique
airport of Menorca and is 47km far from Ciuta-
della

7 MAY

17.00-19.00

Opening registration in the hotels

20.00

*Headquarters of the Insular Government of Menorca:
Opening Official Ceremony*

8 MAY

Pre-congress course

Thanks to Mundipharma for its unconditional support

9.00-10.30

Chronic Pain treatment: future is here!

9:00 9:15

- Welcome

9:15 10:30

- Overview and literature update on chronic pain and opioids
Marco Berti

10.30-11.30

Exploring the Village

10:30 11:00

- Workstations for researching topics on pain

11:00 11:30

- Aspetti medico legali nella pratica clinica
Andrea Castelnuovo, Giuseppe Gennari

11.30-12.30

Face to face with the experts. Debating on pain therapy hot topics:

Moderators: Egidio Moja

11:30 11:50

- Neuropathic Pain
Giorgio Cruccu

11:50 12:10

- Pain in cancer patients
Sebastiano Mercadante

12:10 12:30

- Osteoarticular Pain
Amedeo Costantini

8 MAY

Structure of the Pre-Event Session

Thanks to Grunenthal for its unconditional support

15.00-15.30

Opening

Moderators: Jesus Tornero, Arturo Cuomo.

15.30-17.15

Severe chronic pain update

Moderators: Jesus Tornero, Arturo Cuomo.

15:30 15:50

- Physiopathology and therapy of severe chronic pain
Flaminia Coluzzi

15:50 16:10

- Tapentadol: an innovative analgesic in the treatment of severe chronic pain
Maria Luisa Franco

16:10 16:25

- Tapentadol, the clinical experience
Luis Cabezón

16:25 16:40

- Tapentadol, the clinical experience
Massimo Allegri

16:40 17:15

- Discussion

17.15-17.45

Coffee break

17.45-19.30

LPN (Localized Neuropathic Pain): Myth or Reality?

Moderators: Esther López, Roberto Casale.

17:45 18:05

- Localized Neuropathic Pain: Some information on neurophysiology and diagnostic tools
Juan Carlos Garcia de la Blanca

18:05 18:25

- 5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain
Stefano Jann

18:25 18:40

- 5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain, the clinical experience
Mercé Matute

18:40 18:55

- 5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain, the clinical experience
Renato Vellucci

18:55 19:10

- 5% lidocaine medicated plaster in the treatment of Localized Neuropathic Pain, the clinical experience
Enrico Polati

19:10 19:30

- Discussion

World
Medicine
Park

Minorca May 7-11, 2014

8 May

Precongress Workshop

HOTEL PUEBLO LECTURES ROOM

15.00 - 19.00 h

"Up date on Pain".

LA MOLA LECTURES ROOM

09.00 - 15.00 h

"Drugs combination in pain management".

9 May

MINORCA ISLAND CONVENTION CENTER

8.00 - 8.30 h

Main registration guests in the hotels.

9.00 -10.00 h

“All together against chronic pain”.

Speakers: Prof. T. Stadler, Prof. M. Filippini, Prof. A. Dickenson, Prof. G. Mueller-Schwefe.

Chairman: Prof. J. Moya Riera.

10.00 - 10.30 h

“United Nations resolutions access at the pain therapy: worldwide perspectives”.

Speaker: Dr. Gilberto Gerra, Chief of Drug Prevention and Health Branch, Division for Operations, UNODC.

10.30 - 12.00 h

“More than MOR. Interactive session. Multiple target horizon”.

Speakers: Prof. R. Baron. Anthony Dickenson.

12.00-14.00

“Updates on interventional pain management”.

Chairman: Prof. José De Andrés. Valencia. Spain.

- Radio-frequency the state of the arts and for special application.
- Fighting the chronic migraine with the stimulation of the occipital nerve.
- The future in neuroestimulation.

Dr. David Abejon. Madrid. Spain.

- Approaching to a new target: The dorsal ganglion stimulation.

Prof. Dr. José de Andrés. Valencia. Spain.

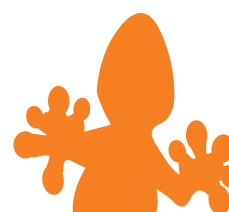

14.00 - 15.00 h

Lunch.

15.00 - 16.00 h

“Tailored Genetics Medicine”.

Massimo Allegri, Dragan Primorac

SPANISH LECTURES

16.00 -17.00 h

“Fentanyl Buccal Tablet: adjusted technology for Breakthrough cancer pain”.

President: Dr. Luis Olay. Head of Radiation Oncology Service. Central Hospital of Asturias.

Secretary: Dr. Manuel Rodríguez. Head of the Pain. Hospital Carlos Haya. Málaga.

- “Clinical implication of Fentanyl Buccal Tablet”.

Dr. Francisco Collado. Pain unit. Hospital Puerta del Mar Cadiz.

- “Fentanyl Buccal Tablet: Benefits for the patient”.

Dr. Nuria Calvo. Medical Oncology. Hospital de Sant Pau (Oncology Day hospital). Barcelona.

17.00 - 18.00 h

“Sublingual Fentanyl. New evidences”.

President: Dra. Concepción Pérez, Pain Unit. Hospital La Princesa. Madrid

Secretary: Dr. Roberto Díaz Beveridge. Deputy Medical Oncology Hospital La Fe. Valencia.

- “Overview of breakthrough pain, therapeutic alternatives”

Dr. Roberto Díaz Beveridge. Deputy Medical Oncology Hospital La Fe. Valencia.

- “New evidences in the treatment of breakthrough pain. A multicenter study”.

Dr. Jordi Guitart Vela. Pain Unit. Hospital Plató. Barcelona.

- “The issue of titration in breakthrough pain patients”.

Dr. Sebastiano Mercadante. Anesthesia and Intensive Care Unit & Pain Relief and Palliative Care Unit. La Maddalena Cancer Center. Palermo. Italy.

18.00 - 19.00 h

“Capsaicin 8% Patch Management”.

Moderator: Dra. Dolors Sintes. Pain Unit. Hospital de Badalona. Barcelona

- “Update on the latest posts”.

Dra. M^a Angeles Canós Verdecho. Anesthesiologist. Head of Reference Unit Pain Treatment. University and Polytechnic Hospital La Fe. Valencia.

- “Application without topical anesthesia. Evidence and experience”.

Dra. Mertxe Mozas. Pain Unit. Clinica Zorrotzurre. Bilbao

19.00 h

“Assessment and management of chronic pain from a biopsychosocial perspective”.

President: Prof. Dr. Luís Aliaga Font. Clinica Teknon, Pain Unit head. Barcelona.

Secretary: Prof. Dr. Carlos Goicoechea García. Professor of Pharmacology. Coordinator “Master in the Study and Treatment of Pain”. Rey Juan Carlos University. Madrid. Spain.

- “Transcultural field studies about painful religious rituals in Greece and Sri Lanka: Consequences for interdisciplinary research on pain management”.

Prof. Dr. Wolfgang Larbig. University of Tübingen, Germany.

- “Painometer: an app for the assessment of chronic pain patients”.

Prof. Dr. Jordi Miró, Rocío de la Vega, Roman Roset. Unitat per a l'Estudi i Tractament del Dolor - AL-GOS, Universitat Rovira i Virgili.

- “Self-modulation of brain activity may help to alleviate pain”.
Prof. Dr. Pedro Montoya. University of Balearic Islands, Palma, Spain.
- Presentation of a book “Survive the Pain - Sobrevivir al dolor” (Plataforma Editorial).
Signed by the author and dedications.
Author: Grela Bravo Garcia. *Clinical psychologist, social and intercultural mediator.*
Endorsed: Sine Dolore Association and Grünenthal Foundation.
- “The identification of the emotional state in the treatment of pain”
Mr. Luis Meca Castany. CEO Biloop Technologic.
- “Epidemiological Survey on the relief of chronic pain and the influence of wine, meaning through the molecule resveratrol.”
Dr. Carmen Martinez Caballero. Director of scientists projects EMNIPRE (European Multidisciplinary Network in Pain Research and Education)

PARALLEL CONFERENCE ROOM

09.00 - 11.30h

“On pain in pediatrics: nutrition, dermatology, asthma”:

- “Guidelines for the use of dietary hydrolysed milk: the new formulas to solve isintomi and signs of pain”.
Giuseppe Mele.
- “The pain and nutrition in the early years of life”.
Alfonso Delgado Rubio.

11.30-12.30

Pain

- Dealing with Pain in Italy – law 38/2010: state of the art
Marco Spizzichino
- The Child in Pain
Franca Benini
- Pain in the pediatrician’s practice
Maria Giuliano
- Going local – The Treatment of Pain in Pediatric Departments: a map of the European hospitals where pediatric pain treatment is a priority
Marta Gentili

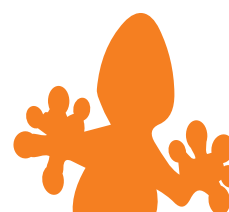

12.30 - 13.30 h

“New topics in breakthrough Pain”.

President: Dr. Francisco Collado. Pain Unit. Hospital Puerta del Mar Cadiz.

Secretary: Dr. Herman Ribera. Section Chief. Pain Unit. Hospital Universitario Son Espases. Mallorca.

- Breakthrough Cancer Pain: An observational study of 1000 European Oncology Patients.
Dr. Josep Porta, Catalan Institute of Oncology. ICO Barcelona.

- “Inter- and intra-patient variability in breakthrough pain crisis of opioid-treated patients with underlying chronic pain. An observational, prospective and multi center study”.
Dr. Juan Perez Cajaraville. Chief of the Pain Unit at the University Hospital of Navarra. Pamplona. Parallel Conference Room

15.30 - 18.30 h

“Asthma and Pain”:

- “Integrated Management in Allergies Respiratory: Cough and the world around her”.
R. Cutrera.
- “Asthma in children”.
L. Morcaldi.

18.30 - 20.00 h

Acupuncture Workshop: (PRE-REGISTRATION REQUIRED. LIMITED PLACES)

“Treatment of spinal pain with acupuncture and related techniques”.

Content: Treatment of neck pain (treatment protocol, point locations, application techniques), dorsal back pain (treatment protocol, point locations, application techniques) and low back pain (treatment protocol, point locations, techniques application).

Method: Discussion of a model case for each pathology, analysis of the different points to be used, method of application. Using anatomical models and practices puncture on them. Review of available evidence.

Teachers: Prof. Dr. Rafael Cobos Romana, Director of the Master of Acupuncture, Pablo de Olavide, University in Seville. Pain Unit, Hospital Virgen del Rocio. Sevilla.

Prof. Dr. Alfonso Vidal. Master of Acupuncture. Pain Unit, South Hospital Alcorcón. Capio Group. Madrid.

Prof. Dr. Marian Lorente. Director of the Laboratory of Surgical and Functional Anatomy, Faculty of Medicine and Health Sciences, International University of Catalunya. Teknon. Barcelona Pain Unit. In collaboration with the Spanish Society of Medical Acupuncture and the Master of Acupuncture University Pablo de Olavide.

It will be in Spanish language.

10 May

MINORCA ISLAND CONVENTION CENTER

9.00 - 10.30 h

“Trinomial: overcome the old patient concept”.

Speaker: Harald Breivik, Kim Kristiansen, Prof. G. Mueller-Schwefe .

10.30 - 12.00 h

“Case history - clinical in chronic pain management - the real life. The best, and the worst”.

Flaminia Coluzzi, Juan Perez Cajaraville

12.00 - 13.00 h

“Localized Neuropathic Pain. What, Who, When, Why?”

Chairman: R. Casale.

Speakers: Dra. Dolores López Alarcón, Valeria Tugnoli.

13.00-14.00 h

“What we can do with ultrasound in pain”.

Speaker: Dr. Marco Baciarello. Parma. Italy. Dr. Manuel Sánchez del Aguila. Head of the Pain Department. Hospital Costa del Sol. Marbella. Spain.

14.00-15.00 h

Lunch.

PARALLEL CONFERENCE ROOM

09.00 - 19.00 h

“Course Dermatology and Pain”.

Distinguish in a quick and exact origin of some acute skin lesions may help to interpret an emergency and avoid pain in children.

G.Ruggiero e F. Arcangeli.

Topics:

- Skin and sport.
- Injuries marginal or misinterpreted.
- Doctor my son is full of bubbles.
- Hemangiomas in children.
- The teenage acne.
- When the warts are really bad .

“Pediatric Chronic Pain”.

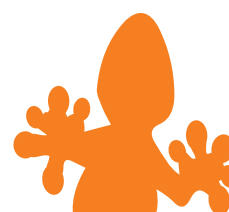

Speaker: Prof. Franca Benini, Prof Mele.

- “The boy in pain”.

F. Benini.

- “The pain nell’ambulatorio pediatrician”.

M. Giuliano.

- “Zero miles - Treatment of pain in pediatric wards: Map of European hospitals where the treatment of pain in children is a priority”.

Marta Gentili.

POSTER'S ROOM

10.00 h

Defense of scientific posters.

President: Dr. Jordi Guitart. Head of Pain Unit. Hospital Platón. Barcelona.

Vice President: Dr. Jordi Folch. Pain Unit. Hospital Platón. Barcelona.

Secretary: Dr. José Fuentes Bellido. Head of Pain Unit. Hospital Pius. Valls. Barcelona.

SPANISH LECTURES

15.00 - 16.00 h

“New topics on transdermal buprenorphine”.

President. Dr. Antonio Montero. Head service Anesthesia, Resuscitation and Pain Therapy of the Hospital Universitari Arnau de Vilanova. Lleida. Professor University of Lleida.

Secretary: Dr. Manuel Sánchez del Águila. Head of the Pain Department. Hospital Costa del Sol. Marbella.

- “Practical application of transdermal buprenorphine in the field of rheumatologic emergencies”.
Dr. Carlos Guillen Astete. Responsible Unit Rheumatology and Musculoskeletal Pathology of the Emergency Department of the Hospital Universitario Ramón y Cajal. Madrid.
- Buprenorphine Update: legends and new realities.
Dr. Alfredo Perucho González, Unit of Pain. Hospital Universitario Ramón y Cajal. Madrid.

16.00 - 17.00 h

“Talk to the engineer”.

President: Dr. David Abejón. Head Pain Unit. Quiron Hospital of Madrid.

Secretary: Dr. Francisco Gómez Armenta. Head Pain Unit. Hospital Reina Sofia. Córdoba.

- “Burst vs High Frequency” What are the differences and what are the advantages and disadvantages of each?”.
Mr. Manuel Mendoza. Engineering In Electronics - Pontificia Universidad Javeriana - 2003 - Colombia. Postgraduate Master in Telecommunications Networks - Cisco CCNA - Pontificia Universidad Javeriana - Colombia. Specialist in Engineering Management Systems - Pontificia Universidad Javeriana - Colombia. MBA - Master of Business Administration - European Business School - Madrid. 21 Training Healthcare Technologies - Siemens - Germany, USA and Brazil. 1994-2013.
- “Moving Technology to Clinical Benefits: Multiple Independent Current Control Systems”.
Mr. Francisco Estella. Senior Engineer in Telecommunications Engineering from the University of Granada. Master 's degree in Computer Engineering and Networks, specializing in Bioengineering from the University of Miami.
- “Programming Principles in spinal cord stimulation”.
Mr. Pablo Rueda. Telecommunication Engineer Master in Bioengineering and Telemedicine.

17.00 - 18.00 h

Pain Unit: Optimizing Quality of Life Resources.

President: Dr. Rafael Salazar Vecino. Hospital de Inca. Mallorca.

Secretary: Dr. Francisco Gómez Armenta. Hospital Reina Sofía. Córdoba.

- “Optimizing the management in the Pain Unit”.
Dr. Modesto García Escobar. Hospital de San Juan. Alicante.
- “Pharmacoeconomic study in using fentanyl. Can improve the clinical management of breakthrough cancer pain?”.
Dr. Rafael de Alba Moreno. Hospital Ciudad de Jaén. Jaén.
- “Implications of Pain Unit. Question and Answer”.
Dr. Rafael Salazar Vecino. Hospital de Inca. Mallorca.

18.00 - 19.00 h

“Pharmaceutical , necessary link in the treatment of patients with pain”.

Chairman: Prof. Javier Garcia Veiga. Community Pharmacist. Minorca Vice **President** and member of the Official College of Pharmacists of the Balearic Islands and Professor at the University of the Balearic Islands.

- “The Organization Pharmaceutical College, as support for the pharmaceutical care to the patient with pain”.
D. Iñaki Linaza Peña. Community Pharmacist. Accountant General Council of Official Colleges of Pharmacists.
- “Professional Pharmacy in the multidisciplinary treatment of patients with pain: personal challenge or career advancement?”.
Dra. Ana Minguez Martí. Pharmaceutical Hospital. Deputy Multidisciplinary Unit Study and Treatment of Pain. Consorcio Hospital General Universitario de Valencia. Director FUNDOLOR (Valencian Foundation for the Study and Treatment of Pain)
- “Community Pharmacists, adjunct in the treatment of pain”.
D. Pedro Doblas Cebrecos. Community Pharmacist. Master teacher UB Pharmaceutical Care (theme “The pain in the community pharmacy”)

19.00 h

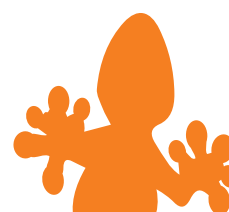

Departure of buses to the Main Opera Theater of Mahón Closing Ceremony.

20.00 h

Closing Ceremony in the Principal Opera Theater of Mahón, with all Authorities.

Award Ceremony in pain research “Father Vicente Macian” for best poster scientific communication in Congress.

Please assistance to all members of Congress.

- Distinguished Prof. Jaime Rodríguez Quintosa. MD, PhD. Specialist in Pediatric Intensive Care. Neonatologist. Specialist in Legal and Forensic Medicine. Director, University Research Chair in Emergency, Disaster and Cardiosafety. Principal Investigator of the Research Group: Development of Prevention and Emergency Medical Care in Life-threatening Situations and Disasters. University Master Director of Emergency, Urgent Care, Disaster and Cardiosafety of EFHRE - UCAM. **President** of European Foundation for Health, Research and Education (EFHRE). **President** of Spanish Association of Emergency 112 (AEM 112). Honorary **President** of Scientific International Committee of Emergencies (SICEM).
- Prof. Dr. Cecilio Álamo González. Professor of Pharmacology. Alcalá de Henares University. Madrid. Spain
- Dr. Carlos de Barutell Farinós. Outgoing **President** of the Spanish Society of Pain. Sine Dolore Merit Medal. Barcelona. Spain
- Dr. Gary J. Brenner, Ph.D. Director, MGH Pain Medicine Fellowship. Assistant Professor, Harvard Medical School. Department of Anesthesia and Critical Care. Massachusetts General Hospital. Boston. EEUU
- Dr. Paul J. Christo, M.D., M.B.A., Assistant Professor of Anesthesiology and Critical Care Medicine. Director, Multidisciplinary Pain Fellowship. Baltimore. Maryland. EEUU.
- Dr. Peter Cox. Consultant in Anaesthesia and Pain Medicine. Westmead and St. George Hospitals. Sydney. Australia
- Dr. Ricardo A. Cruciani, MD, PhD. Vice **Chairman**, Department of Pain Medicine and Palliative Care, Beth Israel Medical Center, NY, New York. EEUU.
- Dr. Arturo Cuomo. Director S.C. Anaesthesia, Intensive Care and Analgesic Therapy National Cancer Institute IRCCS "Fondazione G. Pascale" of Naples.
- Dr. Michael Erdek Assistant Professor of Anesthesiology and Critical Care Medicine and Oncology at The Johns Hopkins University School of Medicine. Director of Quality Improvement for the Division of Pain Medicine. Baltimore. Maryland. EEUU
- Prof. Dr. Guido Fanelli. Head of the Chair of Anesthesia and ICU at the University of Parma, School of Medicine; Head of the Postgraduate School (School of Specialization) of Anesthesia ICU and Pain at the University of Parma, School of Medicine. Chief of Pain and Palliative Care Committee of Minister of Health, and Welfare – Italian Government. Member of Advisory Committee for Ministry of Health– Italian Government. Member of Health Supreme Committee – Italian Government. Referee and reviewer for Italian Minister of Health (AIFA) for Independent research.
- Dr. Marina Mata, MD. Professor of Neurology University of Michigan

- Prof. Giuseppe Mele, Pediatrician. Giuseppe Mele is the Past National **President** of FIMP, the Italian Federation of Pediatricians and Scientific Coordinator. He gained his degree in Medicine and Surgery in 1977; he specialized in pediatrics with full marks. He has always been passionate about civil and human rights and this brought him to fight for the rights in his category through the channel of medical unionism. He has been involved in the health system both on a professional level and from a political and unionist point of view. During his twenty-year medical and trade union experience, he can count numerous attendances to events such as: Ministerial Commissions, Scientific Boards, prestigious publications and national and international congress events. In 2013 he has been nominated expert for the Advisory Committee for the Pediatric area of the Italian Medicines Agency.
